## League of Extraordinary Products

At ordinary prices! All sold in 25ml measures or multiples thereof

|   |        |
|---|--------|
| <b>COGNAC:</b><br>LOUIS XIII DE REMY MARTIN COGNAC<br>This spectacular cognac was created in 1874 and to this date is still the best in its field! The grapes used in the production are only the very best, hand-picked from the prestigious Grande Champagne region which guarantees the product to have its own unique and exclusive quality! This cognac was drunk in the celebration of the legend that is Winston Churchill's election win in 1951.   | £52.50 |
| <b>RYE:</b><br>RITTENHOUSE 23 YEAR OLD<br>This is a whiskey not to be missed coming from Heaven Hills which happens to be the leading distillery in the self-proclaimed Bourbon capital of the world that is Bardstown, Kentucky. If you are unfamiliar with the Rye whiskey family then this is your first step to help you fall in love with it!  | £16.50 |
| <b>BLACK TOT RUM</b><br>On July 31st 1970, one of the longest-standing traditions in the British Navy came to an end – the distribution of a daily tot of rum to sailors on board ship. This day went down in naval history as Black Tot Day (hence the name)!  | £25.00 |
| <b>RON ZACAPA:</b><br>CENTENARIO XO RUM<br>Most in the know rum drinkers value Ron Zacapa above all else. Zacapa's finest expression is the Centenario XO. It's a blend of 6 – 25 year old rums and was created to celebrate the foundation of Zacapa, in Eastern Guatemala. The Master Distiller claims that part of their success lies in the fact that the barrels are stored 2 kilometers above sea level in an aging facility situated on the upper slopes of the volcanoes, where the temperature is an average of 62°F. The rum has won numerous international competitions and is the first rum to be included in the International Rum Festival's Hall of Fame. The Beverage Testing Institute has given Zacapa a 95 point rating! | £11.50 |
| <b>TEQUILA:</b><br>TEQUILA GRAND PATRON BURDEOS<br>Patron is produced and blended by a small family-owned and operated distillery high in the mountains of Jalisco. It is believed that Blue Agave grown in this region produce higher 'honey' or sugar content, which, when distilled, produces a very individual character and flavour. The Tequila is matured in a blend of American and French oak barrels and aged for a minimum of 12 months, before it is raked in vintage Bordeaux barrels, hand-selected from the great chateaux of France to add the distinctive flavours of vanilla, raisins and dried fruit found in the finest Bordeaux wine.  | £22.00 |
| <b>WHISKY:</b><br>JOHNNIE WALKER BLUE LABEL KING GEORGE V EDITION WHISKY<br>This special bottling was released in 2007 to recreate the style of whisky blended in the era of King George V. King George was the British monarch to first grant a Royal Warrant to Johnnie in 1934. As a result, oak casks dating back to the last century were sourced and used to age the whisky to give a fine tasting scotch indeed! Johnnie Blue is widely regarded as the best and certainly most expensive blended scotch in existence!   | £39.00 |
| <b>DRAMBUIE ROYAL LEGACY</b><br>Only 2,500 bottles have been produced, each at 46% abv and signed by the drambuie master blender. At its heart remains the prince's legacy – his secret elixir of exotic herbs and spices sourced from around the globe and unchanged for 260 years. Today drambuie's whisky blenders have the luxury of hand picking a bespoke selection of scotland's finest rare aged malts to complement the elixir's distinctive flavour notes. The art of spirit infusion, perfected by drambuie over the last century is taken to new heights, with cask infusion and small batch production guaranteeing unique product quality.  | £10.75 |
